

Three ways you can lower bill payments this winter.

SAVE ENERGY

with tips to
improve efficiency.

WEATHERIZE

with energy-
efficient upgrades.
Free services may
be available.

ENROLL in
Equal Pay for
predictable bills.

Here's how you could stress less about your monthly bill.

1

PRACTICE ENERGY EFFICIENCY AT HOME.

Low-cost home improvements can bring costs down. Free tips like keeping furnace filters clean, washing dishes with full loads only, and limiting the use of ventilation fans help, too. More ideas at nwnatural.com/Tips

2

MAKE WEATHERIZATION UPGRADES.

Income-qualifying customers can receive free weatherization services. Other incentives are available, too. Get a new natural gas furnace, water heater, home insulation, air sealing, and more. Learn more at nwnatural.com/Savings

3

ENROLL IN EQUAL PAY.

Get predictable monthly payments 11 months of the year and stress less when the bill's due. Sign up at nwnatural.com/EqualPay
