\$250 REBATE
Air conditioner

Bundle up for summer and save. (Really!)

Upgrade two appliances. Save money
with rebates and lower energy bills
year-round.

Turn over to see the summer bundle breakdown.

The summer bundle breakdown.*

1. Upgrade to a high-efficiency natural gas furnace + a central air conditioner.
2. Get up to \$1,000 in rebates and incentives.
3. Lower your bills and save that money for something else.

That's in addition to the continued savings you'll enjoy year after year because you're using less energy to heat your home and 20-40% less energy than central air conditioners from 10 years ago.

Upgrade to a high-efficiency natural gas furnace.

Your rebate **up to \$750.**

Your savings **up to 15%** on heating costs.

Add an energy-efficient central air conditioner.

Your Energy Trust incentive **\$250.**

For customers of PGE and Pacific Power.
